

ONGOING GROUP MAKE-UP LESSONS

Should you miss a lesson and wish to schedule a make-up lesson, please contact us at trainingcenter@pikespeakathletics.com or (719) 400-7450 for availability in classes with a scheduled absence.

If there are no scheduled absences, you are welcome to call back at your convenience as absences are scheduled ongoing by other families. We recommend contacting us for available spots day-of or the day before you wish to schedule your make-up. While we understand the desire to plan ahead, we find that day before/day-of is when most families are informing us of their absences.

Please note:

- Families may make-up 2 missed lessons each month.
- Make-up lessons may be completed at any time by swimmers who are currently enrolled in group lessons.
- Missed make-up lessons cannot be made-up.
- Make-up lessons may not be converted to tuition credits.

**Private lesson make-ups may be requested and offered based on instructor availability for a \$31 fee.*
