

ANNUAL ADMINISTRATIVE + INITIAL ENROLLMENT FEES

Annual Administrative Fee *(per family)*

- A \$35 Administrative Fee is automatically charged to all new registrations upon enrollment.
- This fee is per family, not per swimmer.
- This fee is then automatically charged annually on the 1st of the month of the anniversary date of the family's enrollment, as long as they remain enrolled. (For example, if you enrolled on 1/15/25, your Annual Administrative Fee for the following year will be processed on 1/1/26).
- Annual Administrative Fees cannot be waived and are non-refundable.

Fee Exemption for Current Families

- Current families (those enrolled before January 1st, 2025) will not be charged the \$35 Administrative Fee until 2026.
- For example, if a family enrolled on November 27th, 2024, they will not be charged the administrative fee until November 1st, 2026, based on their anniversary date of enrollment.
- In the event a current family withdraws and re-enrolls, they will then be charged the Administrative Fee and their re-enrollment date will become the anniversary for the annual fee to process. (if they withdraw in February 2025 and re-enroll in April 2025 they will be charged their initial Admin Fee. On April 1, 2026, they will be charged their Annual Admin Fee.)

Automatic Processing

- The annual \$35 administrative fee is automatically charged to the payment method on file.
- Annual Administrative fees cannot be waived and are non-refundable.

No Initial Enrollment Fee

*Families attending lessons at one of our off-site locations (Country Club of Colorado, Fountain Valley School, Valley Swim Club, Garden of the Gods Club, and The Club at Flying Horse) are **not** charged our initial enrollment fee of \$10/swimmer as we are not able to provide retail products like goggles at these locations.*
